SHOOTING HOURS:
One hour before sunrise until one hour after sunset to conform with the five time zones set up for waterfowl hunting in Montana.

WE SUGGEST:
To increase your chances on your second and third choice of antelope hunting make them in areas at least 100 miles apart; areas east and southeast of Lewistown offer the least competition.

HUNTING REGULATIONS

(All Dates Given Inclusive)

APPLICATION INSTRUCTIONS FOR ANTELOPE, MOUNTAIN GOAT, MOUNTAIN SHEEP AND MOOSE: Application must be made on regular form available from license agents or the Fish and Game Department. Application must be postmarked on or before July 31, 1959. Applicant must be in possession of a valid resident or non-resident big game license and antelope coupon detached from such license must accompany application. Applicant will designate areas of choice as indicated on application form. No permits will be issued except in Helena office of Game Department and as soon as possible after the drawing on August 14, 1959.

APPLICATIONS FOR NON-RESIDENT BIG GAME SPECIAL PERMITS will be handled similar to those of residents. Those who purchase a $100.00 license will be sent application forms for applying to enter drawings for special permits to hunt moose, mountain sheep, mountain goats, and antelope. Fees only will be returned if applicant is unsuccessful. These fees are $25.00 for moose, $15.00 for sheep, $5.00 for goats, and there is no fee for antelope.

All areas in the State shall be closed to the hunting of moose, mountain sheep, mountain goat or antelope except during the open season dates as specified in the areas herein described.

CLOSED TO ANTELOPE HUNTING

N **SPECIAL $20.00 NON-RESIDENT ANTELOPE AREA (LIMITED PERMITS)**

1959 SPECIAL ANTELOPE SEASON

AS MANY AS SIX PERSONS MAY APPLY AS A GROUP ON ONE APPLICATION FORM. ALL APPLICATIONS MUST BE SUBMITTED ACCORDING TO INSTRUCTIONS AND MUST SHOW COMPLETE AND CORRECT INFORMATION, OTHERWISE THEY WILL NOT BE ACCEPTED.

APPLICATION FOR NON-RESIDENT $20.00 ANTELOPE PERMIT: Application for $20.00 antelope permits will not be entered in the regular drawing. Application must be postmarked on or before August 14, 1959. Non-residents may apply for a $20.00 antelope permit to be issued only if the quota in any non-resident area is unfilled after the regular drawing. If there are more non-resident applications than the number of permits available, a drawing will be held to select applicants. Applicants may designate the areas, in order of preference by number, for any permits in non-resident areas that may be available. If a permit is not available the $20.00 fee will be returned to the applicant. Only one $20.00 antelope permit may be issued to an applicant. Applicant shall state his name, address and areas of choice, and enclose a $20.00 money order or certified check with application. Non-residents may apply as a group up to six individuals on one application. If a drawing is necessary to award permits the application will be entered as one—either all or none will be given permits.

AREA (All seasons are either sex unless otherwise specified.)

No.	Location	Tentative Quota	Dates

ANTELOPE SEASONS FOR 1959

221 DEER LODGE VALLEY: That portion of Powell County south of Highway 10 and 10A and that portion of Deer Lodge County west of the Continental Divide and east of Highway 10.

Antelope—25 either-sex permits, October 11-November 22.

330 SHEEP CREEK: That portion of Beaverhead County lying south of, and including the Horse Prairie Creek Drainage and lying west of Highway 91.

Antelope—250 either-sex permits, September 13-October 17.

331 CENTENNIAL: That portion of Beaverhead County lying east of Highway 91 and within the Red Rock River Drainage above Clark Canyon near Armstead (The Red Rock Refuge shall be excluded from this area).

Antelope—325 either-sex permits, September 13-October 17.

332 BLACKTAIL: Those portions of Beaverhead and Madison Counties bounded on the west and south by the Blacktail Drainage, on the east by the Ruby River, and on the north by the Beaverhead River.

Antelope—75 either-sex permits, September 13-October 17.

333 RATTLESNAKE: Beginning at the mouth of Grasshopper Creek, thence up said Creek to Dyce Creek, thence up said Creek to the Pioneer Range Divide, thence along said Divide to Rock Creek, thence down said Creek to the Big Hole River and to the Beaverhead River, thence up said River to Grasshopper Creek, the point of beginning.

Antelope—100 either-sex permits, September 13-October 17.

334 WATERLOO: Beginning at Boulder, thence along the Boulder-Whitetail Road in a southerly direction to the divide between Whitetail Creek Drainage and the Boulder River Drainage, thence in an easterly and southerly direction along said Divide and the crest of Bull Mountain to the head of Conrow Creek and down said Creek to the Boulder River, thence in a southerly direction down the Boulder River to Highway 10, thence east along Highway 10 to Sappington Junction, thence south along Highway 287 to Ennis, thence along Highway 34 to Twin Bridges, thence down the Beaverhead River to the Big Hole River, thence up the Big Hole River to Divide, thence along Highway 91 to Boulder.

Antelope—150 either-sex permits, September 13-October 17.

335 CAMERON: That portion of Madison County lying within the Madison River Drainage between Falls Creek and Squaw Creek on the east side of the River and between Highway 34 and Standard Creek on the west side of the Madison River.

Antelope—125 either-sex permits, September 13-October 17.

336 WILLOW CREEK-THREE FORKS: Beginning at Bozeman, thence along Highway 10 to Sappington Junction, thence along Highway 287 to Norris, thence along the Norris-Bozeman cutoff road to Bozeman.

Antelope—35 either-sex permits, September 13-October 17.

337 WINSTON: That portion of Broadwater County lying west of the Missouri River and north of Indian Creek.

Antelope—30 bucks-only permits, September 13-October 17.

338 NORTH GALLATIN: That portion of Gallatin County lying north of Highway 10 and lying within the Missouri River Drainage.

Antelope—75 either-sex permits, September 13-October 17.

339 SHIELDS RIVER: Those portions of Park, Meagher, and Gallatin Counties lying within the Shields River Drainage and that portion of Meagher County lying south of Sixteen Mile Creek and that portion of Sweetgrass and Park Counties lying west of Duck Creek and north of the Yellowstone River.

Antelope—125 either-sex permits, September 13-Octobr 17.

340 WEST BOULDER: Beginning at Livingston, thence in an easterly direction along the Yellowstone River to Big Timber, thence in a southerly direction up the Boulder River to its source, thence following the Yellowstone-Boulder Divide in a northwesterly direction to Livingston, the point of beginning.

Antelope—35 either-sex permits, September 13-October 17.

341 RADERSBURG: That portion of Broadwater County lying west of the Missouri River and south of Indian Creek and that portion of Jefferson County east of the Helena-Boulder-Cardwell Road and north of Highway 10.

Antelope—35 either-sex permits, September 13-October 17.

400 TETON-MARIAS: That area bounded on the west by Highway 91, on the south by Highway 89 and the Missouri River, on the east by the Marias River and the County line between Hill and Liberty Counties, and on the north by Highway 2, with the exception of the Benkman Game Preserve.

Antelope—700 either-sex permits, October 11-November 22.

410 SAND COULEE: That portion of Cascade County east of the Smith River and south of a line beginning at the mouth of the Smith River, thence down the Missouri River to Great Falls, thence southeast along Highway 87 to Belt Creek, thence south along Highway 89 to the County line.

Antelope—50 either-sex permits, October 11-November 22.

430 BUFFALO: Those portions of Fergus and Judith Basin Counties lying south of the Judith River and south of Highway 87 and west of Rock Creek and Timber Creek in the Snowy Mountains.

Antelope—100 either-sex permits, October 11-November 22.

440 BIRDTAIL: Those portions of Cascade and Lewis and Clark Counties bounded on the south by the Missouri River and Little Prickly Pear Creek, on the north by the Augusta-Great Falls Highway, and on the west by a line beginning at Wolf Creek, thence following the old Wolf Creek-Augusta Road to Highway 20, thence east to Bowman's Corner, thence north along Highway 33 to Augusta.

Antelope—160 either-sex permits, October 11-November 22.

450 HOUND CREEK: That portion of Cascade County south of the Missouri River and west of the Smith River, and that portion of Meagher County north of Rock Creek and west of the Smith River.

Antelope—175 either-sex permits, October 11-November 22.

470 SQUARE BUTTE: Those portions of Fergus, Chouteau, and Judith Basin Counties lying south of the Missouri River, west of the Judith River, and north of Highway 87.

Antelope—500 either-sex permits, October 11-November 22.

480 NORTH FERGUS AND PETROLEUM: Those portions of Fergus, Petroleum, and Judith Basin Counties lying north of Highways 87 and 18 and east of the Judith River, with the exception of the Fort Peck Game Range.

Antelope—1,300 either-sex permits, October 11-November 22.

490 MEAGHER: That portion of Meagher County bounded on the north by a line running from King's Hill down Sheep Creek to the Smith River, thence down the Smith River to Rock Creek, thence up Rock Creek to the Lewis and Clark County line, on the south by Sixteen Mile Creek, and on the east by Cottonwood Creek, Spring Creek, and the Forks of the Musselshell River.

Antelope—350 either-sex permits, October 11-November 22.

50 NORTH WHEATLAND: Those portions of Wheatland, Meagher, and Golden Valley Counties lying north of Highway 6, east of Spring Creek, and west of Swimming Woman Creek.

Antelope—500 either-sex permits, October 11-November 1.

51 WILLOW CREEK: Those portions of Musselshell, Golden Valley, Petroleum, and Fergus Counties north of Highway 6, east of Swimming Woman Creek, west of Highway 87 and bounded on the north by a line beginning at the head of Swimming Woman Creek, thence along the Snowy Mountains Divide in an easterly direction to Durfee Creek, thence down Durfee Creek to Flatwillow Creek, thence down Flatwillow Creek to Highway 87.

Antelope—800 either-sex permits, October 11-November 1.

52 DURFEE HILLS: That portion of Fergus County bounded on the north by the Lewistown-Grass Range Road (Highways 87 and 20), on the east by Highway 87, on the south by a line beginning where Flatwillow Creek crosses Highway 87, thence up Flatwillow Creek to Durfee Creek, thence up Durfee Creek to the Snowy Mountain Divide, thence westerly along said Divide to the Lewistown-Red Hill Road, and on the west by the Lewistown-Red Hill Road.

Antelope—250 either-sex permits, October 11-November 1.

53 FLATWILLOW-WILLOW CREEK: Those portions of Fergus, Petroleum, and Musselshell Counties lying south of Highway 20, east of Highway 87 and bounded on the south and east by the Musselshell River.

Antelope—1,200 either-sex permits, October 11-November 1.

54 BULL MOUNTAINS: Those portions of Musselshell, Rosebud, Yellowstone and Treasure Counties bounded on the west by Highway 87, on the south by the Yellowstone River, on the east by Highway 6 and on the north by the Musselshell River.

Antelope—50 either-sex permits, October 11-November 1.

55 BILLINGS AREA: Those portions of Yellowstone, Golden Valley, and Musselshell Counties bounded on the south and west by the Billings-Lavina Highway, on the north by Highway 6, and on the east by Highway 87. **NOTE:** (The Billings Game Preserve shall be open to the hunting of antelope.)

Antelope—250 either-sex permits, October 11-November 1.

56 MOLT-BROADVIEW: Those portions of Stillwater, Golden Valley, and Yellowstone Counties bounded on the south by the Yellowstone River, on the east by the Billings-Lavina Highway, on the north by Highway 6, on the west by the Columbus-Rapelje-Ryegate Road. **NOTE:** (The Billings Game Preserve shall be open to the hunting of antelope.)

Antelope—950 either-sex permits, October 11-November 1.

57 SWEET GRASS CREEK: Those portions of Sweet Grass, Stillwater, Golden Valley, and Wheatland Counties bounded on the south by the Yellowstone River, on the east by the Columbus-Rapelje-Ryegate Road, and the west along Sweet Grass Creek from the Yellowstone River to Melville, and along Highway 19 from Melville to Fish Creek, and on the north by Fish Creek.

Antelope—1,000 either-sex permits, October 11-November 1.

58 FISH CREEK: Those portions of Wheatland, Golden Valley, and Sweet Grass Counties bounded on the west by Highway 19, on the south and east by Fish Creek, and the north by Highway 6.

Antelope—500 either-sex permits, October 11-November 1.

59 TWODOT: Those portions of Wheatland, Sweet Grass, Meagher, and Park Counties bounded by the following line: Beginning at Harlowton, thence south along Highway 19 to Sweet Grass Creek, thence up Sweet Grass Creek to the crest of the Crazy Mountains, thence along said crest in a northerly direction to Cottonwood Creek, thence down Cottonwood Creek to the South Fork of the Musselshell River, thence down said River to Martinsdale, thence from Martinsdale to Highway 6, thence along Highway 6 to Harlowton, the point of beginning.

Antelope—600 either-sex permits, October 11-November 1.

510 BIG TIMBER: Those portions of Sweet Grass and Park Counties bounded on the south by the Yellowstone River, on the west by Duck Creek, and on the north and east by Sweet Grass Creek.

Antelope—300 either-sex permits, October 11-November 1.

511 HARDIN: Those portions of Big Horn and Yellowstone Counties bounded on the north by the Yellowstone River, on the east by the Big Horn River, on the south by the Hardin-Pryor Road, and on the west by Pryor Creek.

Antelope—100 either-sex permits, October 11-November 1.

512 CLARK FORK: Those portions of Stillwater, Carbon, Yellowstone, and Big Horn Counties bounded on the north by the Yellowstone River, the west by the Stillwater River, on the south the Wyoming State Line, and on the east beginning at the mouth of Pryor Creek, up Pryor Creek to the Pryor Gap Road, along said Road to Sage Creek, down Sage Creek to the Wyoming State Line.

Antelope—100 either-sex permits, October 11-November 1.

61 SWEET GRASS HILLS: Those portions of Liberty, Hill, and Toole Counties lying north of Highway 2, east of Highway 91, and west of the Milk River.

Antelope—300 either-sex permits, September 27-November 8.

62 NORTH BLAINE AND HILL: Those portions of Blaine and Hill Counties lying north of Highway 2 and east of the Milk River.

Antelope—400 either-sex permits, September 27-November 8.

63 NORTH PHILLIPS: That portion of Phillips County lying north of Highway 2 and west of Frenchman Creek.

Antelope—800 either-sex permits, September 27-November 8.

64 NORTH VALLEY: Those portions of Valley and Phillips Counties lying north of Highway 2 and east of Frenchman Creek, and west of Highway 22.

Antelope—400 either-sex permits, September 27-November 8.

65 SOUTH PHILLIPS: Those portions of Phillips and Valley Counties lying south of Highway 2 and west of Larb Creek and Timber Creek with the exception of the Fort Peck Game Range and Bowdoin Refuge.

Antelope—700 either-sex permits, September 6-November 8.

66 BIG SANDY: That portion of Hill County lying west of Highway 87 and south of Highway 2 and that portion of Chouteau County lying north of the Missouri River and east of the Marias River.

Antelope—200 either-sex permits, September 27-November 8.

67 SOUTH VALLEY: Those portions of Phillips and Valley Counties lying south of Highway 2, west of the Fort Peck-Glasgow Highway, and east of Larb Creek and Timber Creek, with the exception of the Fort Peck Game Refuge.

Antelope—350 either-sex permits, September 27-November 8.

68 McCONE: Those portions of McCone and Garfield Counties lying north of Highway 18, west of Highway 13, and east of Big Dry Creek, except the Fort Peck Game Range.

Antelope—650 either-sex permits, September 27-November 8.

69 RICHLAND-DAWSON: Those portions of McCone, Richland, and Dawson Counties lying east of Highway 13, north of Highway 18, and northwest of Highways 16 and 23N.

Antelope—500 either-sex permits, September 27-November 8.

600 MEDICINE LAKE: Those portions of Sheridan and Roosevelt Counties lying north of Highway 2, east of Highway 16, and south of Highway 5, with the exception of Medicine Lake Refuge.

Antelope—125 either-sex permits, September 27-November 8.

70 N NORTH GARFIELD: Beginning near Mosby where the Highway 18 Bridge crosses the Musselshell River, thence down said River in a northerly direction to the Fort Peck Game Range Boundary, thence in an easterly direction along said Boundary to Big Dry Creek, thence up Big Dry and Little Dry Creeks to Highway 18 and west along said Highway to Mosby, the point of beginning.

Antelope—600 either-sex permits, October 11-November 1.

71 N NORTH ROSEBUD: From the Yellowstone River Bridge at Miles City, up the Yellowstone River in a westerly direction to the Highway 6 Bridge at Forsyth, thence in a northwesterly direction along Highway 6 to the Musselshell River Bridge near Melstone, thence down the Musselshell River in a northerly direction to the Highway 18 Bridge near Mosby, thence in an easterly direction along Highway 18 to Jordan, thence in a southeasterly direction along Highway 22 to the Yellowstone River Bridge, the point of beginning.

Antelope—500 either-sex permits, October 11-November 1.

72 N SOUTH ROSEBUD: Beginning at the mouth of the Tongue River at Miles City, thence up the Tongue River to State Highway 8, thence in a westerly direction along State Highway 8 to U.S. Highway 87, thence north along U.S. Highway 87 to the Big Horn River, thence in a northerly direction along the Big Horn River to the Yellowstone River, thence in an easterly direction down the Yellowstone River to the mouth of the Tongue River at Miles City, the point of beginning. That portion of this area that lies within the boundaries of the Tongue River-Northern Cheyenne Indian Reservation shall be closed. (All islands on the Big Horn River within described areas are in Area 72.)

Antelope—75 either-sex permits, October 11-November 1.

73 N NORTH PRAIRIE: Beginning at the Miles City Bridge, thence along Highway 22 to Jordan, thence in an easterly direction along Highway 18 through Circle and to the Glendive Bridge, thence up the Yellowstone River to the Miles City Bridge, the point of beginning.

Antelope—800 either-sex permits, October 11-November 1.

74 N MIZPAH: From Miles City east on Highway 12 to the Powder River Bridge and in a southerly direction up the Powder River to the Highway 212 Bridge, thence north and west along Highway 212 to Miles City, the point of beginning.

Antelope—300 either-sex permits, October 11-November 1.

75 N NORTH WIBAUX: Beginning at the junction of U.S. Highway 10 and State Highway 16 at Glendive, thence in a northeasterly direction along State Highway 16 to Sidney, thence in a northeasterly direction along State Highway 23N to the North Dakota State Line, thence south along the North Dakota State Line to U.S. Highway 10, thence along U.S. Highway 10 through Wibaux to the junction of U.S. Highway 10 and State Highway 16, the point of beginning.

Antelope—100 either-sex permits, October 11-November 1.

76 N NORTH FALLON: From Miles City, thence down the Yellowstone River in a northeasterly direction to the Yellowstone River Bridge at Glendive, thence in an easterly direction along Highway 10 to the North Dakota State Line, thence south along the North Dakota State Line to Highway 12, thence in a westerly direction along Highway 12 to Miles City, the point of beginning.

Antelope—600 either-sex permits, October 11-November 1.

77 N NORTH CARTER: From the Powder River Bridge on Highway 12, east along Highway 12 to Baker, thence south on the Baker-Ekalaka-Hammond Road to Hammond, thence north and west along Highway 212 to the Powder River Bridge, thence in a northerly direction down the Powder River to the Highway 12 Bridge, the point of beginning.

Antelope—700 either-sex permits, October 11-November 1.

78 N EAST CARTER: Beginning at Baker, thence east along Highway 12 to the State Line, thence south along the North and South Dakota State Lines to the Wyoming State Line, thence west along the State Line to Highway 212, thence north and west along Highway 212 to Hammond, thence along the Hammond-Ekalaka-Baker Road to Baker, the point of beginning.

Antelope—1,000 either-sex permits, October 11-November 1.

79 N LITTLE POWDER: From the Powder River Bridge just south of Broadus, south and east on Highway 212, through Alzada to the Wyoming State Line, thence west on the Wyoming State Line to the Powder River, thence north and east down the Powder River to the Highway 212 Bridge near Broadus, the point of beginning.

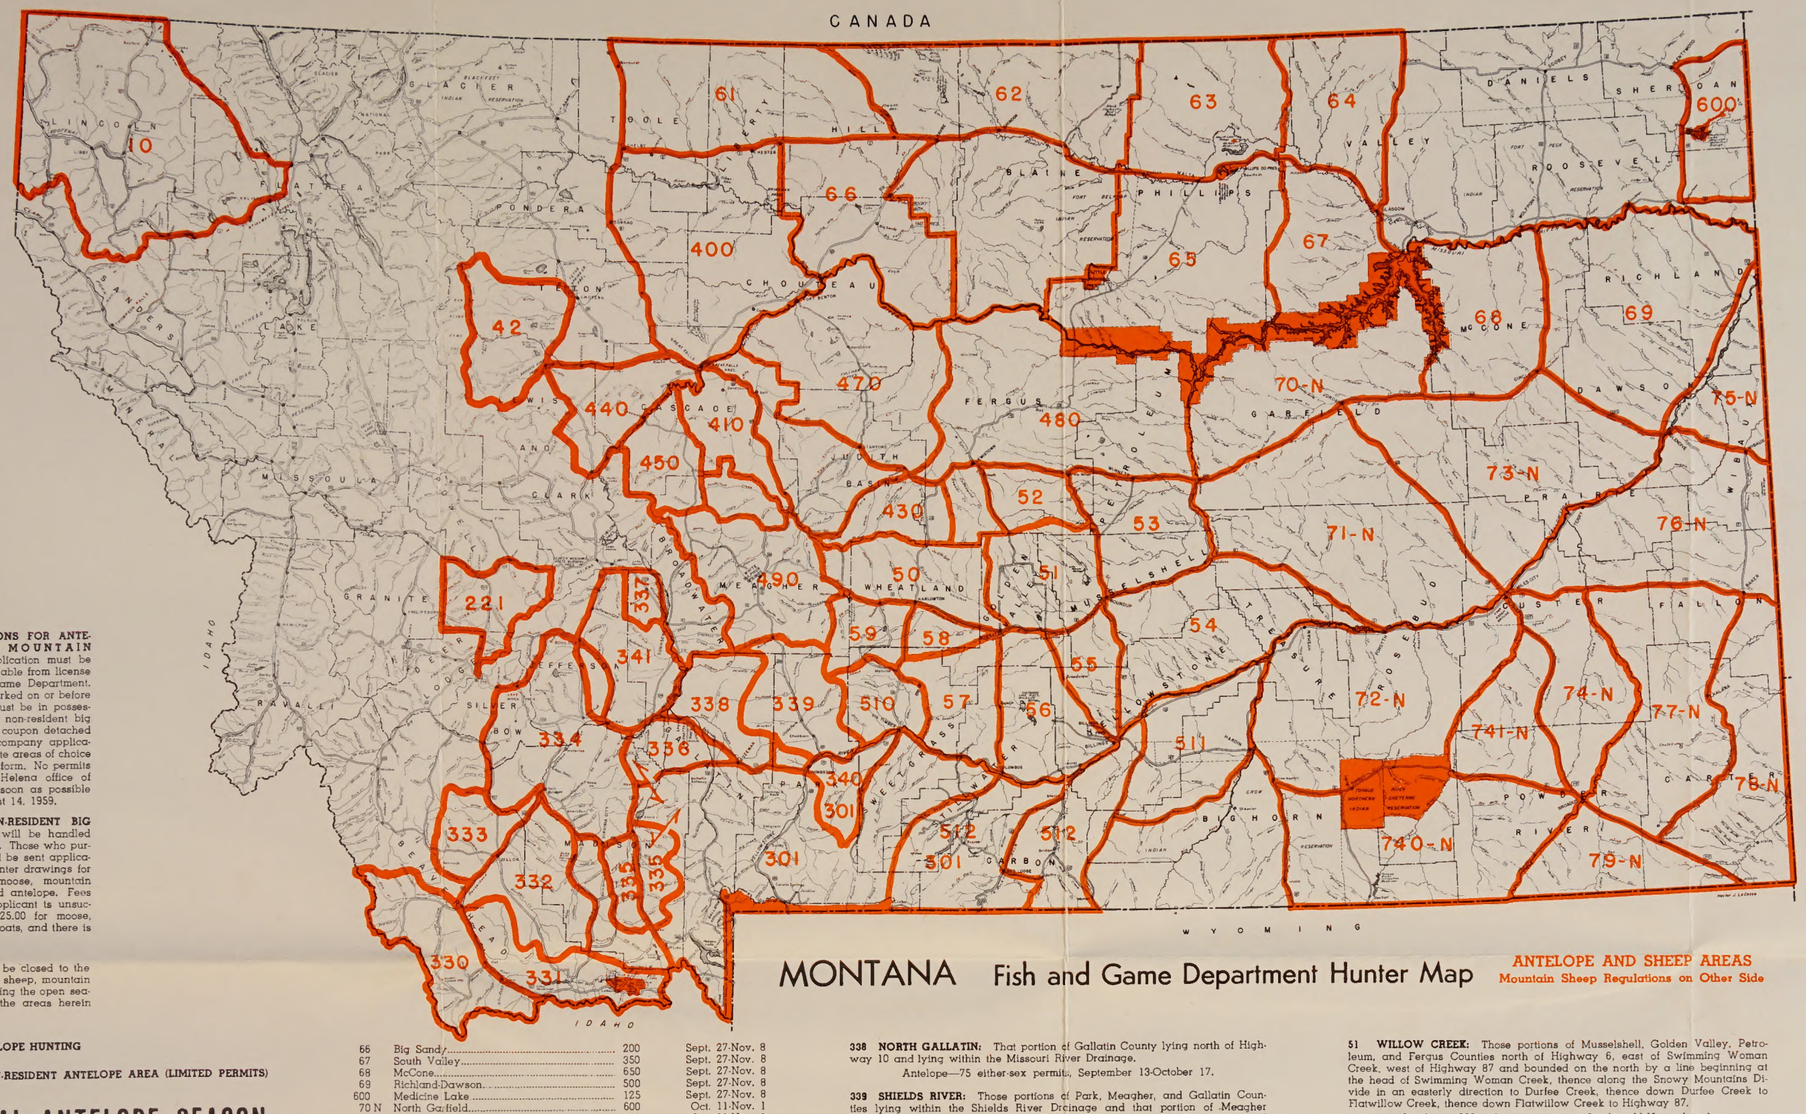
Antelope—300 either-sex permits, October 11-November 1.

740 N OTTER CREEK: Beginning at the junction of State Highway 8 and U.S. Highway 212, thence in a southeasterly direction along U.S. Highway 212 to the Powder River, thence in a southerly direction up the Powder River to the Wyoming State Line, thence west along the Wyoming State Line to U.S. Highway 87, thence in a northerly direction on U.S. Highway 87 to State Highway 8, thence east along State Highway 8 to the junction of State Highway 8 and U.S. Highway 212, the point of beginning. (That portion of this area lying within the boundaries of the Tongue River-Northern Cheyenne Indian Reservation shall be closed.)

Antelope—200 either-sex permits, October 11-November 1.

741 N BEAVER-LISCOM: From Miles City, south and east on Highway 212 to the junction with Highway 8, just north of Broadus, thence west on Highway 8, through Ashland to the Tongue River, thence in a northerly direction down the Tongue River to Miles City, the point of beginning.

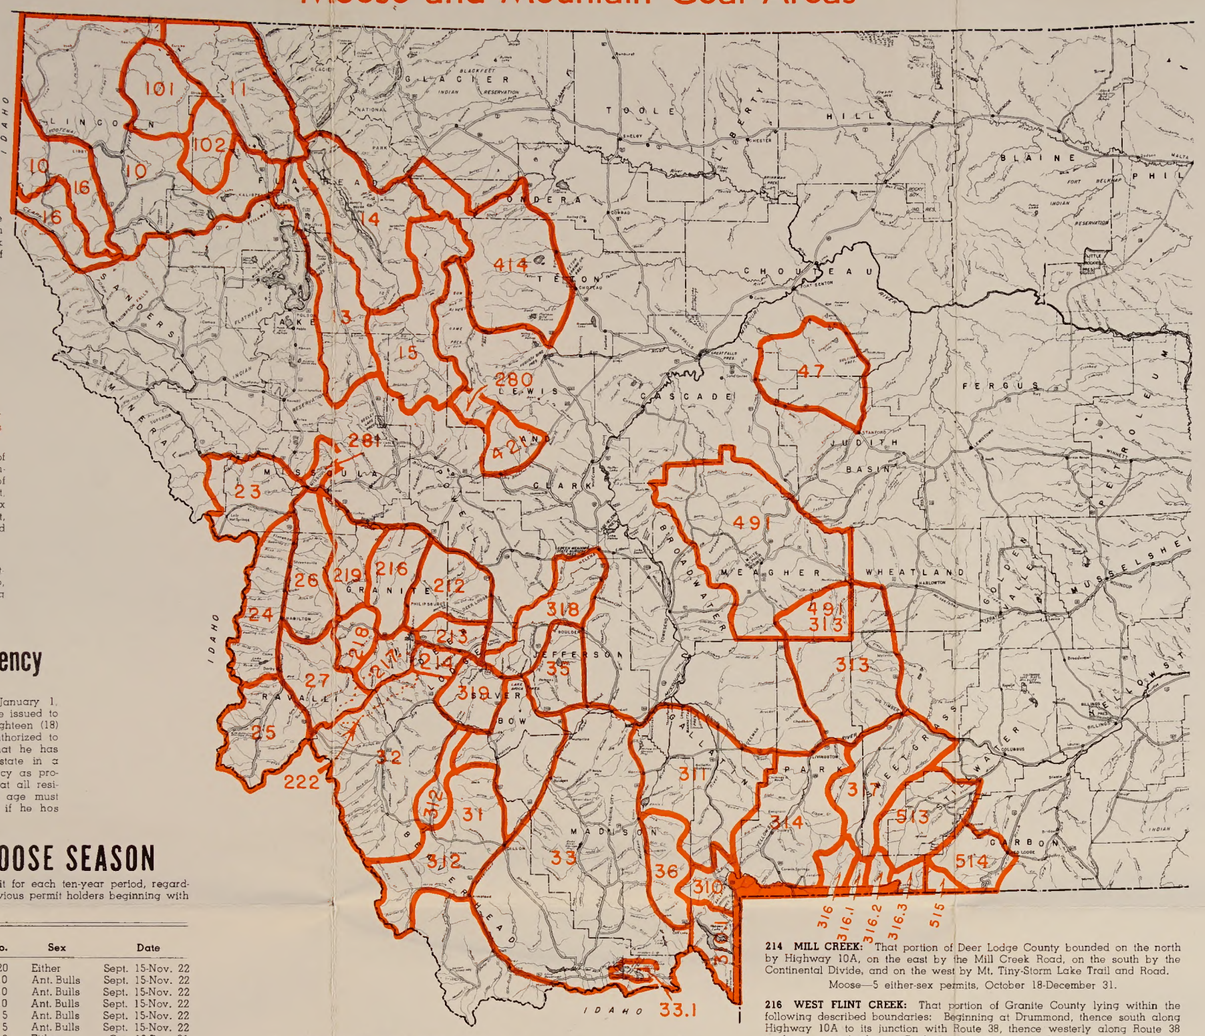
Antelope—150 either-sex permits, October 11-November 1.



MONTANA Fish and Game Department Hunter Map

ANTELOPE AND SHEEP AREAS
Mountain Sheep Regulations on Other Side

Moose and Mountain Goat Areas



THE RETURN OF EAR TAGS: Sportsmen are urged to return ear tags to the Montana Fish and Game Department in Helena. This work will aid materially in future management of Montana's big game herds.

SHOOTING HOURS:
One hour before sunrise until one hour after sunset to conform with the five time zones set up for waterfowl hunting in Montana.

The regulations appearing on both sides of this publication describe the areas by number which are open to the hunting of moose, mountain sheep, mountain goat, and antelope, the open season dates, sex of animal which may be taken, bag limit, application instructions and areas closed to hunting.

All areas are closed to the hunting, shooting or capturing of moose, mountain sheep, mountain goat or antelope except during the period of time herein specified.

Certificate of Competency

Chapter 16 (Laws of 1957)

26-202.1 Section 2 (a) On and after January 1, 1958, no big game hunting license shall be issued to any resident person under the age of eighteen (18) years unless he presents to the person authorized to issue such license either: (1) evidence that he has held a hunting license issued by this state in a prior year, or (2) a certificate of competency as provided by this section; providing further that all resident persons under fifteen (15) years of age must present a certificate of competency even if he hos held a hunting license in prior years.

1959 SPECIAL MOOSE SEASON

Hunters are allowed only one moose permit for each ten-year period, regardless of hunting success. This applies to previous permit holders beginning with the 1953 season.

AREA No.	Location	No.	Sex	Date
101	Eureka (Lincoln County)	20	Either	Sept. 15-Nov. 22
102	Stillwater (Lincoln County)	10	Ant. Bulls	Sept. 15-Nov. 22

491	Meagher County	5	Ant. Bulls	Sept. 15-Nov. 22
513	Stillwater	20	Either	Oct. 18-Nov. 22
514	Rock Creek	2	Either	Oct. 18-Nov. 22
515	Beartooth Plateau, East	5	Either	Sept. 6 -Nov. 22

MOOSE SEASONS FOR 1959

101 EUREKA (LINCOLN COUNTY): Beginning at Eureka, thence west and south along Highway 37 to Warland, thence up Cripple Horse Creek Road to the trail, easterly to the Weigel-Cripple Horse Divide, thence in a northerly and easterly direction to Davis Mountain and to Elk Mountain, thence in a northeasterly direction along the Sunday Creek-Martin Creek Divide following the Kootenai Forest Boundary to Highway 93 one-half mile northwest of Duck Lake, thence northwest to Eureka, the point of beginning.

Moose—20 either-sex permits, September 15-November 22

102 STILLWATER (LINCOLN COUNTY): Beginning on Highway 93 one-half mile northwest of Duck Lake, thence southwesterly along the Flathead Forest Boundary and the divide between Sunday Creek and Good Creek, thence thence following said Divide to Elk Mountain, Tepee Mountain, Sanders Mountain, Pleasant Valley Mountain, around and including the entire Logan Creek Drainage and along Reid Divide to Tally Lake, thence in a north and easterly direction along Logan Creek and the old County Road to Highway 93 near Lupfer, thence along Highway 93, the point of beginning.

Moose—10 antlered bulls, September 15-November 22.

10 KOOTENAI (LINCOLN COUNTY): Those portions of Lincoln and Flathead Counties excluding Areas 101 and 102 and bounded on the south by the Lincoln-Sanders County line and Highway 2, bounded on the east by a line beginning where Highway 2 crosses Flathead River east of Kalispell, thence up said River to Highway 40, thence northwesterly along Highway 40 and Highway 93 to the International Boundary.

Moose—10 antlered bulls, September 15-November 22.

11 NORTH FORK: Those portions of Lincoln and Flathead Counties bounded on the west and south by Highway 93 and Highway 40 and bounded on the east by the Flathead River and Glacier Park.

Moose—10 antlered bulls, September 15-November 22.

14 LOWER SOUTH FORK-MIDDLE FORK: Those portions of the Lower South Fork and Middle Fork of the Flathead River Drainages lying below the following described line: Beginning on the Swan Divide near Oreamus Peak, thence following a divide easterly to Stadium Peak, Marmot Mountain, Hungry Mountain, thence down Slick Creek, up Black Bear Creek and up Rambler Creek to Silvertip Mountain, thence down Silvertip Creek to Spotted Bear River, thence up U. S. F. S. Trails 43 and 171 to Gunsight Peak, thence down Schafer Creek to the Middle Fork of the Flathead River, thence up said River to the mouth of Calbick Creek, thence up said Creek and U. S. F. S. Trail 316 to the Continental Divide.

Moose—5 antlered bulls, September 15-November 22.

15 UPPER SOUTH FORK-MIDDLE FORK: Those portions of the Upper South Fork and Middle Fork of the Flathead River Drainages lying above the line described in Area 14.

Moose—5 antlered bulls, September 15-November 22.

23 LOLO-PETTY CREEK: Those portions of Missoula and Mineral Counties lying within the following described boundary: Beginning at the junction of Highway 10 and Highway 93 in Missoula, thence south along Highway 93 to Lolo Creek, thence up Lolo Creek to the Mormon Creek-Lolo Creek Divide, thence southwest along said Divide to the Montana-Idaho border, thence northwest along the Montana-Idaho border to the Lolo Creek-Fish Creek Divide, thence northeast along the Lolo Creek-Fish Creek Divide to the South Fork of Fish Creek Road, thence north along the South Fork of Fish Creek Road to the Healen logging road, thence north along the Healen logging road to the Fish Creek Road and its junction with Highway 10, thence east along Highway 10 to its junction with Highway 93 in Missoula, the point of beginning.

Moose—3 either-sex permits, October 18-December 31.

24 WEST BITTERROOT: That portion of Ravalli County lying west of Highway 93 and north of Tin Cup Creek, and that portion of Missoula County lying west of Highway 93 and south of Mormon Creek-Lolo Creek Divide.

Moose—10 either-sex permits, September 20-December 31.

25 WEST FORK: That portion of Ravalli County lying west of Highway 93 and south of Tin Cup Creek.

Moose—15 either-sex permits, September 20-December 31.

26 EAST BITTERROOT: That portion of Ravalli County lying east of Highway 93 and north of the Skalkaho Road, and that portion of Missoula County lying east of Highway 93 and west of the Bitterroot-Clark Fork Divide.

Moose—10 either-sex permits, October 18-December 31.

27 EAST FORK: That portion of Ravalli County lying east of Highway 93 and south of the Skalkaho Road.

Moose—10 either-sex permits, September 20-December 31.

212 NORTH FLINT CREEK RANGE: Those portions of Granite and Powell Counties lying within the following described boundary: Beginning at Drummond, thence in an easterly and southerly direction along Highway 10 and 10S to the Race Track Creek Bridge, thence up Race Track Creek in a westerly direction to Race Track Lake and the trail to Red Lion Road, thence down the Red Lion Road to its junction with Highway 10A at Georgetown Lake, thence in a west and northerly direction along Highway 10A to Drummond, the point of beginning.

Moose—15 either-sex permits, October 18-December 31.

213 SOUTH FLINT CREEK RANGE: Those portions of Granite, Powell, and Deer Lodge Counties lying within the following described boundary: Beginning at a point on the junction of the Red Lion Road and Highway 10A at Georgetown Lake, thence in a northeasterly direction along Red Lion Road and trail to Race Track Lake, thence in an easterly direction along Race Track Creek to the bridge on Highway 10S, thence along Highway 10S in a southerly direction to its junction with Highway 10A, thence along Highway 10A in a westerly direction to its junction with the Red Lion Road at Georgetown Lake, the point of beginn'ng.

Moose—5 either-sex permits, October 18-December 31.

214 MILL CREEK: That portion of Deer Lodge County bounded on the north by Highway 10A, on the east by the Mill Creek Road, on the south by the Continental Divide, and on the west by Mt. Tiny-Storm Lake Trail and Road.

Moose—5 either-sex permits, October 18-December 31.

216 WEST FLINT CREEK: That portion of Granite County lying within the following described boundaries: Beginning at Drummond, thence south along Highway 10A to its junction with Route 38, thence westerly along Route 38 to the concrete bridge on Rock Creek, thence down Rock Creek to the mouth of Upper Willow Creek, thence north along the Upper Willow Creek-Rock Creek Divide to the Tyler Creek headwaters, thence down Tyler Creek to the Clark Fork River and Highway 10, thence east along Highway 10 to Drummond, the point of beginning.

Moose—5 either-sex permits, October 18-December 31.

217 UPPER ROCK CREEK: Those portions of Granite and Deer Lodge Counties lying within the following described boundaries: Beginning at the junction of Highway 10A and Route 38, thence southerly along Highway 10A to the Storm Lake Road, thence along the Storm Lake Road and Trail to Mt. Tiny and the Continental Divide, thence southwest along the Continental Divide to the Bitterroot-Rock Creek Divide, thence northerly along he Bitterroot-Rock Creek Divide to the Ross Fork-Middle Fork of Rock Creek Divide, thence along this Divide to Route 38, thence easterly along Route 38 to its junction with Highway 10A, the point of beginning.

Moose—5 antlered bulls, October 18-November 22.

218 ROSS FORK: That portion of Granite County lying within the West Fork and Ross Fork Drainages of Rock Creek.

Moose—10 either-sex permits, October 18-January 15.

219 LOWER ROCK CREEK: Those portions of Granite and Missoula Counties lying within the following described boundaries: Beginning at a point on Highway 10 opposite the mouth of Tyler Creek, thence south across the Clark Fork River and up Tyler Creek to the Rock Creek-Harvey Creek and Upper Willow Creek Divide, thence south along said Divide to Rock Creek, thence up Rock Creek to the North Divide of the West Fork of Rock Creek, thence west along said West Fork Divide to the Bitterroot-Rock Creek Divide, thence north along the Bitterroot River-Rock Creek and Clark Fork River Divide to Missoula, thence east along Highway 10 to the point of beginning on Highway 10 north of the mouth of Tyler Creek.

Moose—5 either-sex permits, October 18-December 31.

31 PIONEER: That portion of Beaverhead County lying west of Highway 91, north and west of the Armstead-Leadore Road up Horse Prairie Creek, and south and east of a line running along the Big Hole-Bloody Dick-Grasshopper Creek Divide to the Jackson-Dillon Road, thence east on said Road to its junction with the Wise River-Dillon Road, thence north along said Road to the Wise River-Grasshopper Creek Divide, thence east and north along said Divide to the Divide between Cherry and Trapper Creeks, thence east along this Divide to the Big Hole River, thence directly east across said River to Highway 91. That portion of this area within the Grasshopper Creek Drainage above the junction of the Jackson-Dillon Road and the Dillon-Wise River Road shall be closed to moose hunting.

Moose—40 either-sex permits, October 18-November 22.

32 BIG HOLE: Those portions of Deer Lodge and Beaverhead Counties lying within the following described boundary: Beginning where the Anaconda-Ralston Road crosses the Continental Divide, thence west and south along said Divide to the Divide between the Big Hole and Bloody Dick Creek Drainages, thence east along said Divide to the Divide between Grasshopper Creek and the Big Hole Drainages, thence north along said Divide to the Jackson-Dillon Road, thence east on said Road to its junction with the Wise River-Dillon Road, thence north along said Road to Highway 43, thence northwest along Highway 43 to the Anaconda-Ralston Road, thence north on the Anaconda-Ralston Road to the Continental Divide, the point of beginning. That portion of this area within the Grasshopper Creek Drainage shall be closed to moose hunting.

Moose—30 either-sex permits, October 18-November 22.

33 RUBY-RED ROCK: That portion of southwest Montana lying east of Highway 91 from the Idaho border to Dillon and the Dillon-Cactus Junction Road (Route 41), south of Highway 10S between Cactus Junction and Sappington Junction, west and south of Highway 287 from Sappington Junction to the Madison-Gallatin County Line (southeast corner of Madison County), and west of said County Line to the Idaho border. (The Red Rock Migratory Bird Refuge shall be excluded.)

Moose—90 either-sex permits, October 18-November 22.

33.1 RED ROCK BIRD REFUGE: That portion of Beaverhead County lying within the U. S. Fish and Wildlife Service Red Rock Migratory Bird Refuge.

Moose—10 either-sex permits, October 18-November 22.

35 WHITETAIL: That area lying east and south of Highway 91 between Butte and Boulder, west of the Whitetail Road between Boulder and Whitehall, and north of Highway 10.

Moose—5 either-sex permits, October 18-November 22.

36 EAST MADISON: That portion of the Madison River Drainage lying east of Highway 287 from Ennis to the Madison-Gallatin County line, east of the Madison River from Ennis to and including Falls Creek, and south of a line along the Madison-Gallatin Divide between Falls Creek and the intersection of the Madison-Gallatin County line and Highway 287 in Madison Canyon.

Moose—15 either-sex permits, October 18-November 22.

310 UPPER GALLATIN: That portion of the West Gallatin River Drainage lying east of said River and south of Porcupine Creek, and that portion of the West Gallatin River Drainage west of the river and south of and including the Taylor Fork Drainage.

Moose—25 either-sex permits, September 20-November 1.

310.1 UPPER MADISON: That portion of the Upper Madison River Drainage in Gallatin County.

Moose—15 either-sex permits, September 20-November 1.

311 LOWER GALLATIN: Those portions of Gallatin, Park, Jefferson, Broadwater, and Madison Counties lying south of Highway 10 and east of Highway 287, excluding the Yellowstone Drainage and Area 36.

Moose—35 either-sex permits, October 18-November 22.

314 UPPER YELLOWSTONE: That portion of the Yellowstone River Drainage west of the Yellowstone River and south of Highway 10 and that portion of the Yellowstone River Drainage east of the Yellowstone River between and including the Mission Creek Drainage to the north and the Bear Creek Drainage to the south.

Moose—10 either-sex permits, October 18-November 22.

316 HELLROARING: That portion of Park County lying within the Drainages of Hellrooring, Cottonwood, and Little Cottonwood Creeks.

Moose—5 either-sex permits, September 6-November 22.

316.1 BUFFALO FORK: That portion of Park County lying within the Drainage of Buffalo Fork Creek.

Moose—5 either-sex permits, September 6-November 22.

316.2 SLOUGH CREEK: That portion of Park County lying within the Drainage of Slough Creek.

Moose—5 either-sex permits, September 6-November 22.

316.3 BEARTOOTH PLATEAU, WEST: That portion of Park County lying east of the Slough Creek Drainage

Moose—3 either-sex permits, September 6-November 22.

317 BOULDER: That portion of the Yellowstone River Drainage which includes only the Boulder River, Upper Deer Creek, Lower Deer Creek, and Bridger Creek Drainages.

Moose—15 either-sex permits, October 18-November 22.

318 BUTTE-BASIN: Those portions of Jefferson and Lewis and Clark Counties lying east of the Continental Divide, south of Highway 10N, west and north of Highway 91, and that part of Silver Bow County lying north of Highway 10S.

Moose—5 either-sex permits, October 18-November 22.

319 FLEECER-HIGH RYE: Those portions of Silver Bow and Deer Lodge Counties south of Highway 10S, west of Highway 91, north of Highway 43, and east of the Anaconda-Ralston Road.

Moose—5 either-sex permits, October 18-November 22.

491 MEAGHER COUNTY: Meagher County in its entirety.

Moose—5 antlered bulls, September 15-November 22.

513 STILLWATER: Those portions of Stillwater, Sweet Grass and Carbon Counties lying within the Stillwater River Drainage above Absarokee and including the Fishtail Creek-West Rosebud Creek Drainages.

Moose—20 either-sex permits, October 18-November 22.

514 ROCK CREEK: That portion of Carbon County bounded on the west by and including the East Rosebud River Drainage, on the north by the Roscoe-Luther-Red Lodge Road, on the east by and including the Rock Creek Drainage, and on the south by the Wyoming State Line and the Gallatin National Forest Boundary.

Moose—2 either-sex permits, October 18-November 22.

515 BEARTOOTH PLATEAU, EAST: That portion of Carbon County lying within the Gallatin National Forest Boundary (south of Granite Peak.)

Moose—5 either-sex permits, September 6-November 22.

1959 SPECIAL GOAT SEASON

PERMITS are required to hunt mountain goats in all areas. Where the number to be taken is unlimited, permits will be available from the State Fish and Game Department, Helena, Montana, and from license agents in those areas.

414	Teton	40	Either	Sept. 15-Nov. 22
47	Square Butte	5	Either	Oct. 18-Nov. 22
421	Landers Fork	20	Either	Oct. 18-Nov. 22

GOAT SEASONS FOR 1959

13 SWAN: Those portions of Flathead, Lake, and Missoula Counties bounded on the east by the Swan Divide from Bad Rock Canyon to the Lolo National Forest Boundary, bounded on the south by the Lolo National Forest Boundary (Swan-Clearwater Divide), and bounded on the west by the Flathead Indian Reservation, Flathead Lake, and the Flathead River.

Goats—Unlimited (no drawing required for permits), either-sex permits, October 18-November 22.

14 LOWER SOUTH AND MIDDLE FORKS: Those portions of the Lower South Fork and Middle Fork of the Flathead River Drainages lying below the following described line: Beginning on the Swan Divide near Oreamus Peak, thence following a divide easterly to Stadium Peak, Marmot Mountain, Hungry Mountain, thence down Slick Creek, up Black Bear Creek, and up Rambler Creek to Silvertip Mountain, thence down Silvertip Creek to Spotted Bear River, thence up U. S. F. S. Trails 43 and 171 to Gunsight Peak, thence down Schafer Creek to the Middle Fork of the Flathead River, thence up said River to the mouth of Calbick Creek, thence up said Creek and U. S. F. S. Trail 316 to the Continental Divide.

Goats—Unlimited (no drawing required for permits), either-sex permits, October 18-November 22.

15 UPPER SOUTH AND MIDDLE FORKS: Those portions of the Upper South Fork and Middle Fork of the Flathead River Drainages lying above the line described in Area 14.

Goats—Unlimited (no drawing required for permits), either-sex permits, September 15-November 22.

16 CABINET MOUNTAINS: Those portions of Lincoln and Sanders Counties bounded on the south by U. S. Highway 10A, on the east by the Vermillion River-East Fisher Road and U. S. Highway 2, and on the north by U. S. Highway 2.

Goats—Unlimited (no drawing required for permits), either-sex permits, September 15-November 22.

24 WEST BITTERROOT: That portion of Ravalli County lying west of Highway 93 and north of Tin Cup Creek, and that portion of Missoula County lying west of Highway 93 and south of Mormon Creek-Lolo Creek Divide.

Goats—45 either-sex permits, September 20-November 22.

25 WEST FORK: That portion of Ravalli County lying west of Highway 93 and south of Tin Cup Creek.

Goats—10 either-sex permits, September 20-November 22.

212 NORTH FLINT CREEK RANGE: Those portions of Granite and Powell Counties lying within the following described boundary: Beginning at Drummond, thence in an easterly and southerly direction along Highway 10 and 10S to the Race Track Creek Bridge, thence up Race Track Creek in a westerly direction to Race Track Lake and the trail to Red Lion Road, thence down the Red Lion Road to its junction with Highway 10A at Georgetown Lake, thence in a west and northerly direction along Highway 10A to Drummond, the point of beginning.

Goats—5 either-sex permits, October 18-November 22.

213 SOUTH FLINT CREEK RANGE: Those portions of Granite, Powell, and Deer Lodge Counties lying within the following described boundary: Beginning at a point on the junction of the Red Lion Road and Highway 10A at Georgetown Lake, thence in a northeasterly direction along Red Lion Road and Trail to Race Track Lake, thence in an easterly direction along Race Track Creek to the bridge on Highway 10S, thence along Highway 10S in a southerly direction to its junction with Highway 10A, thence along Highway 10A in a westerly direction to its junction with the Red Lion Road at Georgetown Lake, the point of beginning.

Goats—5 either-sex permits, October 18-November 22.

214 MILL CREEK: That portion of Deer Lodge County bounded on the north by Highway 10A, on the east by the Mill Creek Road, on the south by the Continental Divide, and on the west by Mt. Tiny-Storm Lake Trail and Road.

Goats—10 either-sex permits, October 18-November 22.

222 PINTLAR: Those portions of Granite, Deer Lodge, Ravalli, and Beaverhead Counties lying in the Pintlar Primitive Area.

Goats—40 either-sex permits, October 18-November 22.

280 NORTH FORK BLACKFOOT: That portion of Lewis and Clark County within the North Fork of the Blackfoot River Drainage, lying north and east of the Dry Fork, north of the North Fork between the mouth of the Dry Fork and the mouth of the East Fork, east and north of the East Fork to Webb Lake.

Goats—Unlimited (no drawing required for permits), either-sex permits, October 18-October 31.

281 RATTLESNAKE CREEK: That portion of Missoula County within the Rattlesnake Creek Drainage.

Goats—5 either-sex permits, October 18-November 22.

312 PIONEER-HORSE PRAIRIE: That portion of Beaverhead County lying west of Highway 91, north of the Armstead-Leadore Road and south and east of the following line: Beginning at the town of Divide, thence northwest along Highway 43 to Wise River, thence south along the Wise River-Dillon Road to the Divide between Grasshopper Creek and Wise River, thence west and south along said Divide to the Grasshopper-Big Hole Divide, thence south along said Divide to the Horse Prairie Creek-Big Hole Divide, thence west along said Divide to the Continental Divide. Canyon Creek and Trapper Creek Drainages are excluded from this area.

Goats—60 either-sex permits, September 13-November 22.

313 CRAZY MOUNTAINS: Those portions of Sweet Grass, Park, Wheatland, and Meagher Counties lying north of the Yellowstone River, west of Highway 19 and the road between Melville and Twodot, south of the Twodot-Martinsdale-Ringling Road, and east of Highway 89.

Goats—100 either-sex permits, September 13-November 22.

414 TETON: Those portions of Teton, Pondera, and Glacier Counties lying south of the Blackfeet Indian Reservation and Highway 2, and west of Highways 33 and 89.

Goats—40 either-sex permits, September 15-November 22.

47 SQUARE BUTTE: Those portions of Chouteau, Fergus, Judith Basin, and Cascade Counties lying north of Highway 87, east of Belt Creek, south of the Milwaukee Railroad, and west of the Geraldine-Stanford Road.

Goats—5 either-sex permits, October 18-November 22.

421 LANDERS FORK: Those portions of Lewis and Clark and Powell Counties south of the Continental Divide, north of Highway 20, and east of a line beginning at Highway 20 on the Powell-Lewis and Clark County line, thence northward along the Divide marking the western limit of the Lincoln Gulch, Beaver Creek, Copper Creek, and Landers Fork Drainages.

Goats—20 either-sex permits, October 18-November 22.

SHEEP AREAS SHOWN ON MAP ON OTHER SIDE

1959 SPECIAL SHEEP SEASON

A person is not eligible to receive a sheep permit for the next succeeding ten years in any limited area if he has had a sheep permit anywhere in the State of Montana beginning with the 1953 season.

Any person may apply for a sheep permit in any unlimited area. Permits are available only from the Helena office of the Fish and Game Department.

AREA No.	Location	No.	Sex	Date
10	Kootenai-Stillwater	10	Rams—¾ curl	Sept. 15-Nov. 22
301	Gallatin-Beartooth	Unlimited	Rams—¾ curl	Sept. 20-Nov. 1
42	Sun River	40	Rams—¾ curl	Oct. 18-Nov. 30

BIGHORN SHEEP SEASONS FOR 1959

10 KOOTENAI-STILLWATER: Those portions of Lincoln and Flathead Counties bounded on the south by the Lincoln-Sanders County line and Highway 2 and bounded on the east by a line beginning where Highway 2 crosses the Flathead River east of Kalispell, thence up said River to Highway 40, thence northwesterly along Highway 40 and Highway 93 to the International Boundary.

Bighorn Sheep—10 rams, with at least a ¾ curl horn, September 15-November 22.

301 GALLATIN-BEARTOOTH: Those portions of Gallatin, Madison, Park, Sweet Grass, Stillwater, and Carbon Counties bounded on the west by Montana Highway 287 and the Reynolds Pass Road, on the north by the Yellowstone River, on the east by a line beginning at Laurel, thence in a southerly direction along Highway 12 to Red Lodge, thence in a southeasterly direction along the Red Lodge-Belfry Road to the Clark's Fork River, thence south along the Clark's Fork River to the Wyoming Line.

Bighorn Sheep—unlimited (no drawing required for permits), rams with at least a ¾ curl horn, September 20-November 1.

NOTE: Persons applying for a sheep permit in this area are advised that this area embraces a high, rugged terrain and it is a difficult area to hunt. Due to these factors, success has been rather low.

42 SUN RIVER: Those portions of Teton and Lewis and Clark Counties lying south of the Teton River from Teton Pass at the head of the West Fork to Highway 33, west of Highway 33, east of the Continental Divide, and north and west of a line beginning at Scapegoat Mountain, thence in an easterly direction along the Straight Creek-Dearborn-Elk Creek Divide to Steamboat Mountain, thence north along the Lewis and Clark National Forest Boundary to Elk Creek, thence down Elk Creek to Highway 33.

Bighorn Sheep—40 rams, with at least a ¾ curl horn, October 18-November 30
